STEP 1 : Please assure that your final paper follows exactly the format and template as described in the final paper template document below, since this will be the camera-ready published version.

All final papers should be written only in word document as **.doc** or **.docx format**.

Please download the following Final Paper Template and submit your final paper exactly according to the template: Final Paper Template (for [Vietnam Journal of Chemistry](#) or [Vietnam Journal of Science and Technology](#)) in word format (.doc /.docx).

STEP 2 : You can submit a final paper to the [EasyChair](#) only by **updating** the submission you submitted as an abstract. For that; click the link of the EasyChair on-line conference system below and log-in using your EasyChair account (*this should be the same account you have used to submit your abstract*).

STEP 3 : After logging in the EasyChair system, click on "**Submission [your number#]**" menu item at the top of the page (if you have more than one paper then click: My Submissions> Submission [your number#]). And select "**Update file**" (note: this option will be opened on 15 August) from the right side of the top of the page.

STEP 4 : After selecting the final paper file that you wish to **upload** from your computer (which was exactly formatted according to the final paper template as a word document -doc. or docx-file), upload (submit) your final paper by selecting the "**Submit**" button.
